The Connecticut Department of Environmental Protection provides over 1400 campsites throughout the state for your outdoor enjoyment. The following information applies to most Park and Forest Campgrounds. Exceptions are noted in the Campground Directory section of this brochure. The official camping season begins on April 16, and ends September 30. However, some campgrounds are open on a restricted basis prior to Memorial Day Weekend or after Labor Day. Please contact the State Parks Division for an updated schedule prior to your visit.

RESERVATIONS

Campsites at most campgrounds may be reserved from Memorial Day Weekend through Labor Day. Reservations at American Legion State Forest can be made from April 16, 2011, through Columbus Day. All reservations can be made from 11 months prior to your planned arrival date, to 2 days before you wish to camp. Call toll-free 1-877-668-CAMP (2267) or visit www.reserveamerica.com to make reservations on-line. Cancellation requests may be directed to 1-877-668-2267, for information on policies, and fees that may apply. Unreserved sites are available on a first-come, first-serve basis.

CAMP DAY/LENGTH OF STAY

Check-in time is 1:00 p.m. The camp day is from the time of arrival, until 12:00 noon on day of departure. The maximum length of stay in any inland state campground is fourteen consecutive days. At Hammonasset Beach, and Rocky Neck State Parks, the maximum length of stay is twenty-one consecutive days. Following each stay, regardless of duration, a five day interim period is mandatory for all members of the camping party. Campers may not move to another camping area within the same park or forest during the interim. The camp areas within Pachaug State Forest and Hopeville Pond, Kettletown and Black Rock State Parks, shall be considered one campground.

CAMPING PARTY

The maximum number of people per campsite is six (6). However, a camp registrant may occupy a campsite with all his/her children under 18 years old, for the basic campsite fee regardless of the total number of family members.

MINORS

Minors (under 18) must be accompanied by an adult in attendance, who accepts responsibility for the camping party. A camping permit cannot be issued to anyone under the age of 18 years.

OCCUPANCY

Occupancy of the camp lot is required within the first 24 hours. A campsite unoccupied during this initial period is declared an open site and will be reassigned with all payment forfeited. If you are unable to arrive the first night, please telephone the campground. Campers arriving after 10:00 p.m. will be required to set up in a temporary area until the following morning. Transferring or subleasing campsites is strictly forbidden.

CAMP VISITORS

Visitors are allowed to enter state campgrounds from 8:00 a.m. to sunset, and may stay until 10:00 p.m. Daily parking rates apply. Designated parking areas must be used.

HOURS OF QUIET

Quiet hours shall be observed between 10:00 p.m., and 7:00 a.m. Reasonable levels of sound may not be exceeded at any time.

PETS

Pets are prohibited in State Park camping areas. Pets are permitted at the Salt Rock Campground, and State Forest campgrounds (see Campground Directory). Where permitted, animals are limited to one per campsite (except the Salt Rock Campground), and must be held on a leash not to exceed seven feet in length. Dogs must have rabies vaccinations, and owners may be required to show proof. Pets must be attended at all times.

ALCOHOLIC BEVERAGES

Beer in containers larger than one (1) liter is prohibited. State law limits the possession of alcoholic beverages to individuals 21 years or older. Alcoholic beverages are not permitted in Black Rock, Housatonic Meadows or Macedonia Brook Campgrounds.

FIRES

Fires are permitted in designated fireplaces. Ground fires are strictly prohibited at all State campgrounds. Individual fireplaces are not provided at Hammonasset Beach State Park.

EQUIPMENT

Camping equipment is subject to the approval of the supervisor in charge. Trailers and RV's exceeding 35' in length are not permitted. All camping equipment may not occupy a total of more than 400 square feet of ground area. All equipment must be removed from the campsite at the end of each stay.

MOTOR VEHICLES

No more than two motor vehicles (with proper passes) are permitted on a single campsite, except at Rocky Neck where the limit is one vehicle per campsite. Vehicle passes are nontransferable.

BOATING

Campers may launch car-top boats at Hopeville Pond, Hammonasset Beach, Kettletown, Pachaug State Forest (Green Falls), and Lake Waramaug camping areas.

FACILITIES, BUILDINGS, & GROUNDS

Drinking water, and toilets are provided by the Department. Individual connections for electricity, water or sanitary facilities are only available at the Salt Rock Campground. Health Regulations do not permit dishwashing at drinking water sites or in restrooms. The removal or destruction of any plant material is prohibited. Objects may not be driven into trees or park structures. For the safety of all campers, wire or rope may not be fastened to trees.

WEAPONS

Except as specifically authorized, no firearms, archery equipment or other weapons may be possessed in any campground or recreation area.

The Department of Environmental Protection is an equal opportunity/affirmative action employer, offering its services without regard to race, color, religion, national origin, age, sex, or disability. In conformance with the Americans with Disabilities Act, the DEP makes every effort to provide equally effective services for persons with disabilities. Individuals with disabilities needing auxiliary aids or services should call (860) 424-3200.
